

MEDIAN v0.5.0

AUGMENTS PLAN

Visual and narrative augmentation architecture for the post-compile Sourcebook Layout phase

STATUS	Skeleton only — headings established; contents intentionally unpopulated.
PHASE ORDER	First compile and reconcile the core GDD text. Then use this plan to guide Sourcebook layout and augmentation.

A. UI / View Mockups

Reserved.

B. Narrative Mechanics-Teaching Tale Inserts

Reserved.

C. Infographic Inserts

Reserved.

D. Partial-Page Illustrations

Reserved.

E. Full-Page Artwork

Reserved.

Population of this plan is deferred until the v0.5.0 core GDD has been reconciled and compiled into an authoritative text sequence.
